How It Works

Play Virtual or In-person

The game is played in teams of 3-6 people.

One person per team runs the game online on a browser and shares the screen.

All team members have clues, so they collaborate to solve the challenges.

Storyline

The "Royals" have struck again!

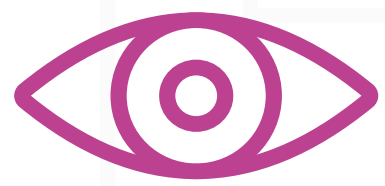

Last night, notorious art thieves "The Royals" broke through a rooftop skylight at the Modern Museum and got away with 5 pieces of invaluable art.

To make things worse, they also left a trail of clues, mocking the police.

Your mission: follow the clues, crack the art themed challenges and retrieve the stolen artwork in this exciting Virtual Escape Room.
