About the game

Make your mingle fun

The Mingle Game lets people interact with each other in a fun way.

Teams compete in a series of short, fun activities, all while interacting with other teams.

The aim is to collect points and win by working well together and meet new people.

How it works

Work together in small teams

The game is played in teams of 3-6 people using a smart phone.

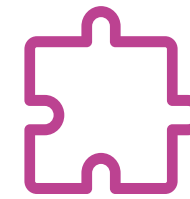

The teams solve a series of engaging challenges during 30 - 60 minutes.

The game is very collaborative and all participants are active during the game.

Mission types

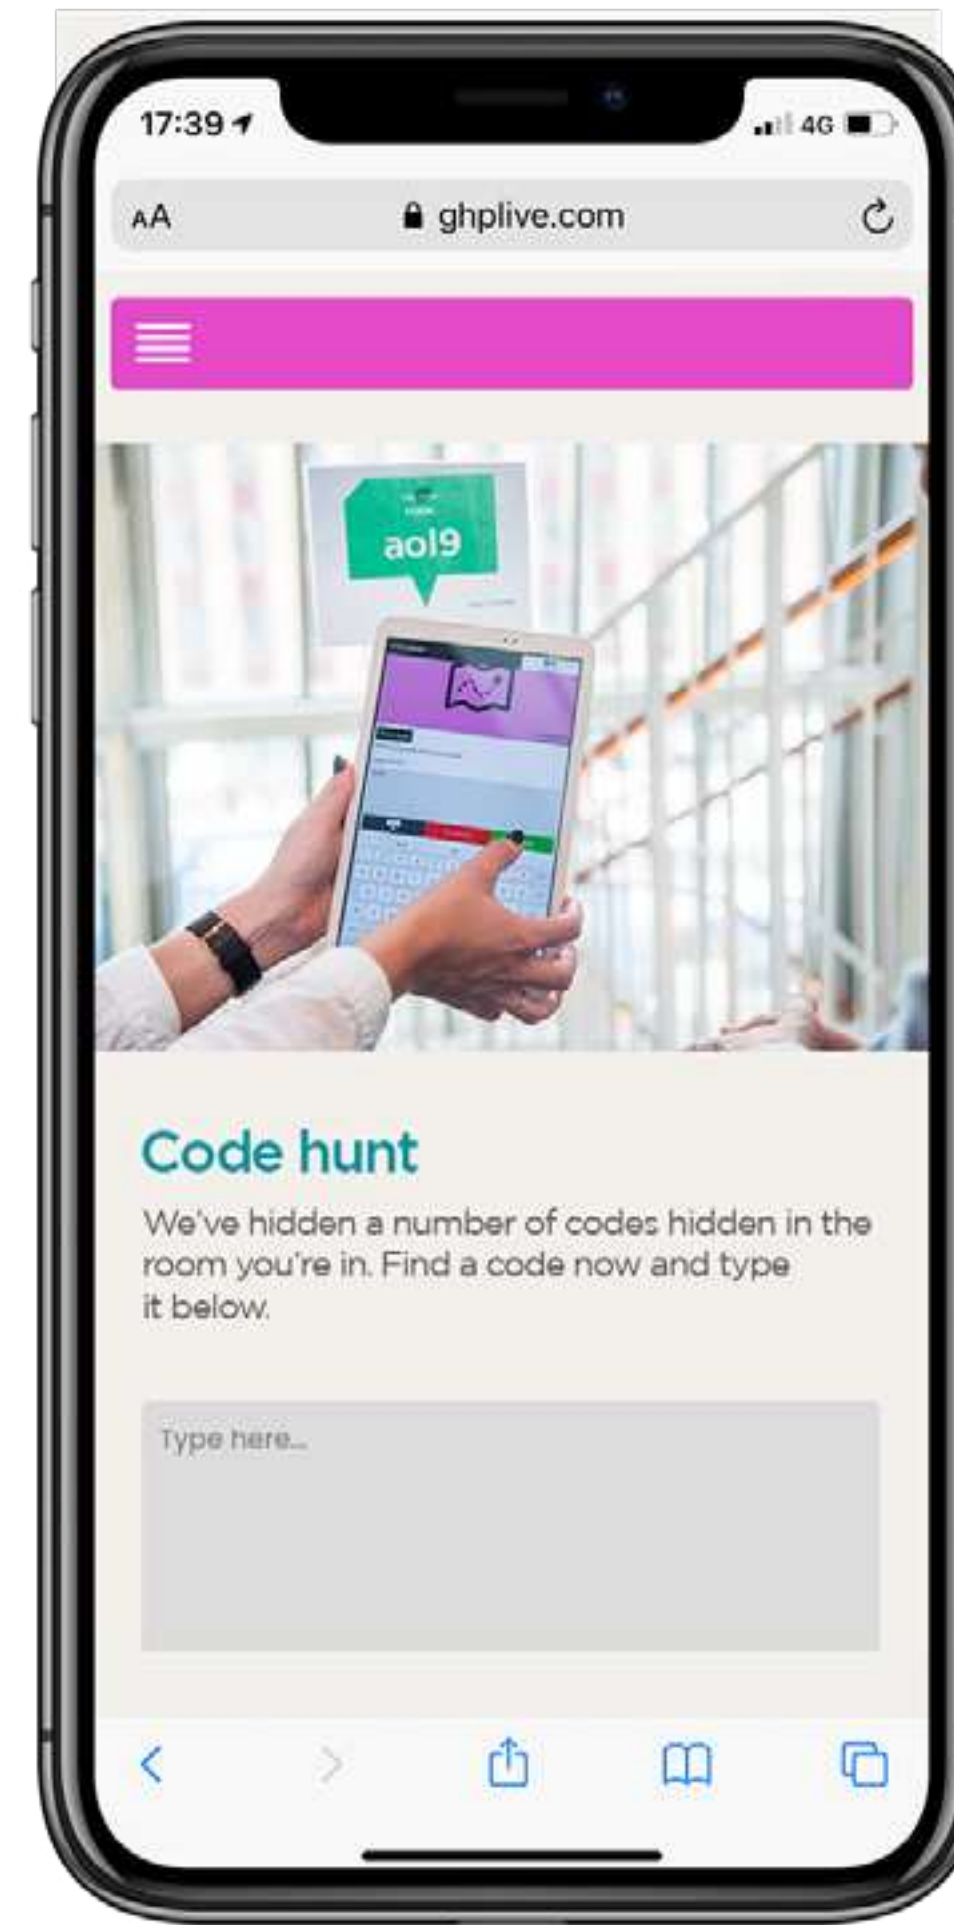

Fun variety

- Get to know your team mates
